Ms. Haneen Amrov
CFS-Quebec Chairperson

Further to your e-mail requesting contact information for the representative of the DSU to the CFS-Q I send you my coordinates. It is my role as the VP External to be the main representative to external student associations as you can see from the attached constitution.

After the SGM where the elections took place three DSU executives took it upon themselves to attempt to strip me of my role at the CFS and appoint the VP Finance instead of me at tomorrow's meeting. This was held at a meeting without quorum that has no legal standing. You can easily verify the requirement in our attached constitution.

I want to let you know that I will be present at tomorrow's meeting and to disregard the illegal nomination of the VP Finance should it be brought forward. The DSU executives have been advised of the illegality of their actions and should the CFS-Q accept an illegal nomination I reserve all my rights and recourses. Should the nomination of the VP Finance not be put forward I apologize to have brought this internal issue to the CFS-Q but I have every reason to believe it will be.
