Re: Referendum on continued membership at Concordia Student Union

Dear Ms. Giroux-Bougard:

As you are well aware, the Concordia Student Union held on March 23rd, 24th and 25th, 2010 a Referendum on continued membership in your Federation.

Please note that the results of said Referendum were the following:

"Are you in favor of continued membership in the Canadian Federation of Students?"
Yes: 931
No: 2,348

No contestations have been filed following this result and the Referendum Oversight Committee has ratified the above-mentioned results.

Therefore and pursuant to Section VII of By-Law I of your Federation's By-Laws, please consider this letter to be the notifying letter of the CSU's intention to withdraw from the Federation.

In the meantime, any participation of the CSU in your Federation's Meetings will solely be to have your Federation recognize the democratic will of the Concordia undergraduate students to withdraw from your Federation.

Yours truly,

CONCORDIA STUDENT UNION
